Einladung zur Subscription auf die Zeitschrift Eos (Siebenter Jahrgang 1824) ,1823 Soil Survey of Dakota County, Minnesota Steven J. Hundley,1983 **American State Papers** United States. Congress,1860 *Maritime Quarantine* John Booker,2016-12-05 As a maritime trading nation the issue of quarantine was one of constant concern to Britain Whilst naturally keen to promote international trade there was a constant fear of importing potentially devastating diseases into British territories In this groundbreaking study John Booker examines the methods by which British authorities sought to keep their territories free from contagious diseases and the reactions to and practical consequences of these policies Drawing upon a wealth of documentary sources Dr Booker paints a vivid picture of this controversial episode of British political and mercantile history concluding that quarantine was a peculiarly British disaster doomed to inefficiency by the royal prerogative and concerns for trade and individual liberty Whilst it may not have fatally hindered the economic development of Britain it certainly irritated the City and the mercantile elites and remained a source of constant political friction for many years As such an understanding of British maritime quarantine provides a fuller picture of attitudes to trade culture politics and medicine in the eighteenth and nineteenth centuries **Romanticism, Self-Canonization, and the Business of Poetry** Michael Gamer,2017-02-17 This is the first book to examine how Romantic writers transformed poetic collections to reach new audiences In a series of case studies Michael Gamer shows Romantic poets to be fundamentally social authors working closely with booksellers intimately involved in literary production and resolutely concerned with current readers even as they presented themselves as disinterested artists writing for posterity Exploding the myth of Romantic poets as naive unworldly or unconcerned with the practical aspects of literary production this study shows them instead to be engaged with intellectual property profit and loss and the power of reprinting to reshape literary reputation Gamer offers a fresh perspective on how we think about poetic revision placing it between aesthetic and economic registers and foregrounding the centrality of poetic collections rather than individual poems to the construction of literary careers **List of Flag Officers and Other Commissioned Officers** ,1830 Lists and Indexes Great Britain. Public Record Office,1963 1777-1857 New York (State).,1866 Publications United States Naval Observatory,1938 *Bulletin* United States. Bureau of Animal Industry,1902 **White Women, Black Men** Martha Hodes,2014-07-01 This book is the first to explore the history of a powerful category of illicit sex in America s past liaisons between Southern white women and black men Martha Hodes tells a series of stories about such liaisons in the years before the Civil War explores the complex ways in which white Southerners tolerated them in the slave South and shows how and why these responses changed with emancipation Hodes provides details of the wedding of a white servant woman and a slave man in 1681 an antebellum rape accusation that uncovered a relationship between an unmarried white woman and a slave and a divorce plea from a white farmer based on an adulterous affair between his wife and a neighborhood slave Drawing on sources that include courtroom

testimony legislative petitions pardon pleas and congressional testimony she presents the voices of the authorities eyewitnesses and the transgressors themselves and these voices seem to say that in the slave South whites were not overwhelmingly concerned about such liaisons beyond the racial and legal status of the children that were produced Only with the advent of black freedom did the issue move beyond neighborhood dramas and into the arena of politics becoming a much more serious taboo than it had ever been before Hodes gives vivid examples of the violence that followed the upheaval of war when black men and white women were targeted by the Ku Klux Klan and unprecedented white rage and terrorism against such liaisons began to erupt An era of terror and lynchings was inaugurated and the legacy of these sexual politics lingered well into the twentieth century

House Documents, Otherwise Publ. as Executive Documents United States. Congress. House, **William H. Crawford** Chase C. Mooney, 2021-11-21 Senator from Georgia minister to France cabinet officer and unsuccessful presidential candidate William Harris Crawford was one of the major figures of the early republic Because most of his papers were destroyed by fire during the Civil War period however estimates of Crawford's abilities and accomplishments have usually been based on the papers of his political adversaries notably John Quincy Adams and few men of his stature have received so little attention from historians This first full biographical study drawing on hundreds of documentary collections many never used in biographies and monographs of the period throws new light on Crawford's career and his relationships with his contemporaries

The Provincial Deputation in Mexico Nettie Lee Benson, 2010-07-22 Mexico and the United States each have a constitution and a federal system of government This fact has led many historians to assume that the Mexican system of government established in the 1820s is an imitation of the U S model But it is not First published in Spanish in 1955 and now translated by the author and amplified with new material this interpretation of the independence movement tells the true story of Mexico's transition from colonial status to federal state Benson traces the Mexican government's beginning to events in Spain in 1808 1810 when provincial juntas or deputations were established to oppose Napoleon's French rule and govern the provinces of Spain and its New World dominions during the Spanish monarch's imprisonment It was the provincial deputation not the United States federal system that provided the model for the state legislative bodies that were eventually formed after Mexico won its independence from Spain in 1821 This finding the result of years of painstaking archival research strongly confirms the independence of Mexico's political development from U S influence Its importance to a study of Mexican history cannot be overstated
