**299 Days: The Collapse** Glen Tate, 2012-08-27 Picking up where *The Preparation* ended the collapse begins to unfold in this second book of the 299 Days series In *The Collapse* the government stops working guns and ammo are in high demand and a trip to the gas station has become a mission rather than an errand Grant and the Team see these warning signs and know it is only the beginning so they begin taking action to protect themselves and their loved ones As they prepare to get out of Dodge after a deadly incident in Grant's neighborhood they will soon learn whether the preparations they made in Book One will be enough to survive the breakdown of society or if they don't stand a chance against greed and violence in the face of a collapse The resulting chaos and fear that begins to envelop the country will strip all of the characters of what they know to normal and will require them to question what they will stand for what they will stand up against and most importantly who they will stand with

**299 Days: The Restoration** Glen Tate, 2014-07-31 When the Patriots finally launch their strike against the Loyalists Grant Matson's leadership bravery and training are put to the ultimate test The 17th Irregulars are teamed up with regular military units and they must put their differences aside in order to successfully overthrow the Limas While the battle rages on the Loyalists outside of Olympia start to pay the price for their allegiances to the wrong side of the Collapse while well intentioned others welcome the beginning of New Washington that recognizes fairness and hard work The battle winds down and a new day begins as the Team recognizes that victory does not come without loss Grant now a celebrated war hero is not without his own personal hardships and fears facing a new life without his family

**299 Days: The Change of Seasons** Glen Tate, 2013-12-10 *The Change of Seasons* is the seventh book in the 299 Days series where summer has ended and reality has set in at Pierce Point For many people this means scrambling to survive the long winter with even less food Some were smart enough to spend the summer preparing for the changing season and the expanding effects of the Collapse others were not so smart and their desperation and fear grows stronger by the day Grant Matson reflects with pride on how he has provided for his family while guiding Pierce Point into a community that functions well on its own Celebrating this accomplishment Grant and others join to offer the community a Thanksgiving dinner which is met with gratitude and exhilaration This mood is short lived however as circumstance quickly begins to unravel beginning with the disappearance of a beloved community member followed shortly by a self defensive killing by

another The situation is just as bleak or worse in other parts of Washington State and the country as innocent people are imprisoned and murdered women and children become commodities and what is left of the government looks even less like the once beloved United States of America As the threat of a civil war becomes imminent Grant the Team and the 17th Irregulars at Marion Farm bond over their duty to protect the country and are soon a fully formed combat ready unity excited to go into combat but uncertain of what will happen to them Grant dreads what he knows is coming but he understands that he has been called to sacrifice potentially his life and probably his marriage to stop the Loyalists from hurting more people

**299 Days: The 17th Irregulars** Glen Tate, 2013-05-31 In some ways post Collapse life at Pierce Point resembles the every day normalcy that Grant and others still hoped would return The community is organized and humming along smoothly the young guys on the Team are partnering off with local Team Chicks and Grant's daughter has found a boyfriend For most the new reality has been accepted and a calm self sustaining groove is setting in For others though life is far from normal Special Forces Ted returns with an offer that cannot be refused In the blink of an eye Grant Matson has another title he can add to father of the year and prepper in chief Lieutenant Grant Matson Commander of the 17th Irregulars Grant and the Team are whisked away to Marion Farm where they will train civilians and be trained to become a special squad in a Special Forces guerrilla group The slower simple life at Pierce Point is about to disappear to make way for a community that is well trained and battle ready posed to fight the Loyalist opposition This cannot happen fast enough though Gangs are growing steadily and the government is becoming a bigger threat to freedom and the nation Violence is turning into an everyday occurrence outside of Pierce Point and it is only a matter of time before the peaceful community will need to protect itself from external dangers Grant feels the weight on his shoulders as he now needs to protect not just his family but the entire community and possibly all of Washington State

**299 Days: The 43 Colonels** Glen Tate, In this final book of the 299 Days series The 43 Colonels celebrates the many ordinary men and women who did extraordinary things during and after the Collapse Set in the chambers of the New Washington Legislature during a joint session of the House and Senate Governor Ben Trenton honors Colonel Grant Matson and 42 other individuals who helped start the Restoration From a personal trainer who became a spy disguised as a water boy to a homeschooling mom who protected children's minds from Loyalist propaganda to a young computer hacker who used his skills to get classified information to Oath Keepers and a Special Forces operative who conducted some amazing missions the stories of these modern day Patriots both heart wrenching and inspirational demonstrate how anyone can help in a revolution
