H. W. Brands

1798:

Magnificent Rebels Andrea Wulf, 2022-09-13 A NEW YORKER ESSENTIAL READ From the best selling author of *The Invention of Nature* comes an exhilarating story about a remarkable group of young rebels poets novelists philosophers who through their epic quarrels passionate love stories heartbreaking grief and radical ideas launched Romanticism onto the world stage inspiring some of the greatest thinkers of the time A BEST BOOK OF THE YEAR The New York Times The Washington Post Make s the reader feel as if they were in the room with the great personalities of the age bearing witness to their insights and their vanities and rages Lauren Groff best selling author of *Matrix* When did we begin to be as self centered as we are today At what point did we expect to have the right to determine our own lives When did we first ask the question How can I be free It all began in a quiet university town in Germany in the 1790s when a group of playwrights poets and writers put the self at center stage in their thinking their writing and their lives This brilliant circle included the famous poets Goethe Schiller and Novalis the visionary philosophers Fichte Schelling and Hegel the contentious Schlegel brothers and in a wonderful cameo Alexander von Humboldt And at the heart of this group was the formidable Caroline Schlegel who sparked their dazzling conversations about the self nature identity and freedom The French revolutionaries may have changed the political landscape of Europe but the young Romantics incited a revolution of the mind that transformed our world forever We are still empowered by their daring leap into the self and by their radical notions of the creative potential of the individual the highest aspirations of art and science the unity of nature and the true meaning of freedom We also still walk the same tightrope between meaningful self fulfillment and destructive narcissism between the rights of the individual and our responsibilities toward our community and future generations At the heart of this inspiring book is the extremely modern tension between the dangers of selfishness and the thrilling possibilities of free will *The Year Of Liberty* Thomas Pakenham, 2015-09-24 This classic account of the great Irish rebellion of 1798 remains the only full scale history of that tragic event As relevant today as it was when first published in 1969 THE YEAR OF LIBERTY is now reissued with the addition of a chronology and a glossary of terms In May 1798 a hundred thousand peasants rose against the British government in Ireland By the time the revolt had been put down four months later thirty thousand dead were literally rotting in heaps in a smoking and desolate countryside Yet it was not a schoolroom story of the heroic oppressed rising against the brutal oppressor but the result of a complex tragic often absurd and sometimes heroic interplay between different groups of people A tough and arrogant oligarchy of country gentlemen mainly Protestant and mainly British in origin lived off a Catholic peasantry Meanwhile idealistic merchants and hot headed young lawyers dreamed and plotted for an Irish Republic on the French model From a mass of sources including confidential government reports contemporary newspapers poems broadsheets and letters the author pieces together a story at once complex tragic absurd and heroic *History of the United States Marine Corps* M. Almy Aldrich, 2024-05-09 Reprint of the original first published in 1875 **The Documentary**

History of the Supreme Court of the United States, 1789-1800: pt. 1. Appointments and proceedings James R. Perry, 1985 Volume one presents documents that establish the structure of the Supreme Court and recount the official record of the Court's activity during its first decade. It serves as an introduction and reference tool for the subsequent volumes in the series.

A list of the flag-officers of his majesty's fleet, with the dates of their first commissions Navy, *A List of the Flag Officers & Other Commissioned Officers of His Majesty's Fleet* Great Britain. Admiralty, 1803

Journals of the House of Commons Great Britain House of Commons, 1797

Land Claims in Missouri United States. General Land Office, 1836

Before Lewis and Clark Abraham Phineas Nasatir, 2002 For *Before Lewis and Clark* A P Nasatir translated and annotated 239 documents relating to the history of the exploration of the Missouri River through 1804 when Lewis and Clark began their ascent of the waterway. The value of this collection is in the range of documents Nasatir included some of which are unavailable elsewhere. The volume also includes seven maps, two facsimile illustrations, and an excerpt from the journal of Jean Baptiste Truteau, the Canadian-born explorer whose record of his 1794-95 travels proved valuable to Lewis and Clark. This edition marks the fiftieth anniversary of the first publication of Nasatir's landmark document collection. Five fold-out maps omitted from the most recent paperback edition have been restored for this one-volume edition.

A Military History of Ireland Thomas Bartlett, Keith Jeffery, 1997-10-09 This is a major collaborative study of organised military activity and its broad impact on Ireland over the last thousand years or so, from the middle of the first millennium AD to modern times. It integrates the best recent scholarship in military history into its social and political context to provide a comprehensive treatment of the Irish military experience. The eighteen chronologically organised chapters are written by leading scholars, each of whom is an authority on the period in question. Drawing the whole work together is a wide-ranging introductory essay on the Irish military tradition which explores the relationship of Irish society and politics with militarism and military affairs. The text is illustrated throughout by over 120 pictures and maps.

Founding Partisans H. W. Brands, 2024-11-12 From bestselling historian and Pulitzer Prize finalist H. W. Brands, a revelatory history of the shocking emergence of vicious political division at the birth of the United States. To the framers of the Constitution, political parties were a fatal threat to republican virtues. They had suffered the consequences of partisan politics in Britain before the American Revolution and they wanted nothing similar for America. Yet parties emerged even before the Constitution was ratified and they took firmer root in the following decade. In *Founding Partisans*, master historian H. W. Brands has crafted a fresh and lively narrative of the early years of the republic as the Founding Fathers fought one another with competing visions of what our nation would be. The first party the Federalists formed around Alexander Hamilton, James Madison, and their efforts to overthrow the Articles of Confederation and make the federal government more robust. Their opponents organized as the Antifederalists, who feared the corruption and encroachments on liberty that a strong central government would surely bring. The Antifederalists lost but regrouped under the new Constitution as the Republicans led by Thomas

Jefferson whose bruising contest against Federalist John Adams marked the climax of this turbulent chapter of American political history The country s first years unfolded in a contentious spiral of ugly elections and blatant violations of the Constitution Still peaceful transfers of power continued and the nascent country made its way towards global dominance against all odds Founding Partisans is a powerful reminder that fierce partisanship is a problem as old as the republic

List of Flag Officers and Other Commissioned Officers ,1830 House Documents, Otherwise Publ. as Executive Documents United States. Congress. House, *Transactions of the Wordsworth Society* William Angus Knight,2024-05-30 Reprint of the original first published in 1882 **Memoirs of the Life and Times of the Rt. Hon. Henry Grattan** Henry Grattan,1849 Coleridge Notebooks V1 Text Kathleen Coburn,2019-09-16 First published in 2002 Volume 1 of the Text on the Notebooks of Samuel Taylor Coleridge spanning from 1794 to 1804 The volume is in two parts text and notes During his adult life until his death in 1834 Coleridge made entries in more than sixty notebooks Neither commonplace books nor diaries but something of both they contain notes on literary theological philosophical scientific social and psychological matters plans for and fragments of works and many other items of great interest Shortly after World War II Kathleen Coburn formerly of Victoria College in Toronto rediscovered this great collection of unpublished manuscripts With the support of the Coleridge estate she embarked on a career of editing and publishing these volumes and was awarded with many honours for her work including a Leverhulme Award 1948 a Guggenheim Fellowship 1953 a Fellowship in the Royal Society of Canada 1958 the Order of Canada 1974 and an honorary doctorate from her own university Originally projected as a five volume set each volume consisting of a book of text and a book of notes **Of One Mind and Of One Government** Kevin Kokomoor,2019-02-01 In Of One Mind and Of One Government Kevin Kokomoor examines the formation of Creek politics and nationalism from the 1770s through the Red Stick War when the aftermath of the American Revolution and the beginnings of American expansionism precipitated a crisis in Creek country The state of Georgia insisted that the Creeks sign three treaties to cede tribal lands The Creeks objected vigorously igniting a series of border conflicts that escalated throughout the late eighteenth century and hardened partisan lines between pro American pro Spanish and pro British Creeks and their leaders Creek politics shifted several times through historical contingencies self interests changing leadership and debate about how to best preserve sovereignty a process that generated national sentiment within the nascent and imperfect Creek Nation Based on original archival research and a revisionist interpretation Kokomoor explores how the state of Georgia s increasingly belligerent and often fraudulent land acquisitions forced the Creeks into framing a centralized government appointing heads of state and assuming the political and administrative functions of a nation state Prior interpretations have viewed the Creeks as a loose confederation of towns but the formation of the Creek Nation brought predictability stability and reduced military violence in its domain during the era *Dictionary of dates, and universal reference* Joseph Timothy Haydn,1857 **Kentucky Pioneer and Court Records** ,1981 This invaluable compilation includes abstracts of early wills

deeds and marriages from courthouses and records of old Bibles churches graveyards and cemeteries from the following
Kentucky counties Anderson Bourbon Boyle Clark Estill Fayette Garrard Harrison Jessamine Lincoln Madison Mercer
